Corporation*

**PRODUCT CATALOG  
2024**

Golden International was established in Seattle in 1978 by the Hou family, immigrants to a new country. During those early years, the family discovered that the market lacked many of the beloved and basic staples that were crucial to the recipes of their favorite dishes and memories.

Food is a core component of their culture and family, and they wanted to bring in products that would reflect those needs and values. After 40 years, Golden International is still family-owned and operated, well into its second generation. The company has grown out of a leased van and home garage to its current location with 125,000 square feet of warehouse, freezer, office, and refrigerated space in the heart of Renton's industrial district.

Golden International has grown to represent major international Asian brands such as Chaokoh, Mae Ploy, Lee Kum Kee, Huy Fong, Royal Umbrella, Wei-Chuan, Buenas, Philippines Brand, Yeo's Beverages, O'Tasty, Knorr, and many more. They're proud to serve the Pacific Northwest, with Washington, Oregon, Montana, Idaho, and Alaska. They will continue to strive toward authentic and wonderful Asian food and product being on the everyday shelves of grocery stores and homes.
